

INFORMATION DISCLOSURE

STATEMENT BY APPLICANT

Complete if Known

Application Number	10/072,602
Filing Date	February 11, 2002
First Named Inventor	Baldomero M. OLIVERA
Group Art Unit	1646 1653
Examiner Name	H. SCHNIZER
Attorney Docket Number	2314-249

Considered

9-27-04

*EXAMINER: Initial if reference considered, whether or not citation is in conformance with MPEP 609. Draw line through citation if not in conformance and not considered. Include copy of this form with next communication to applicant.

¹Unique citation designation number. ²See attached Kinds of U.S. Patent Documents. ³Enter Office that issued the document, by the two-letter code. ⁴For Japanese patent documents, the indication of the year of the reign of the Emperor must precede the serial number of the patent document. ⁵Kind of document by the appropriate symbols as indicated on the document under WIPO Standard ST. 16 if possible. ⁶Applicant is to place a check mark here if English language translation is attached. AB indicates that only an English language abstract is attached.
